## Our Reach

**DOCTORS FOR YOU (DFY)** is a registered society, registered under the Societies Registration Act 1860 Section 21 having registration no. F-56886(Mum)

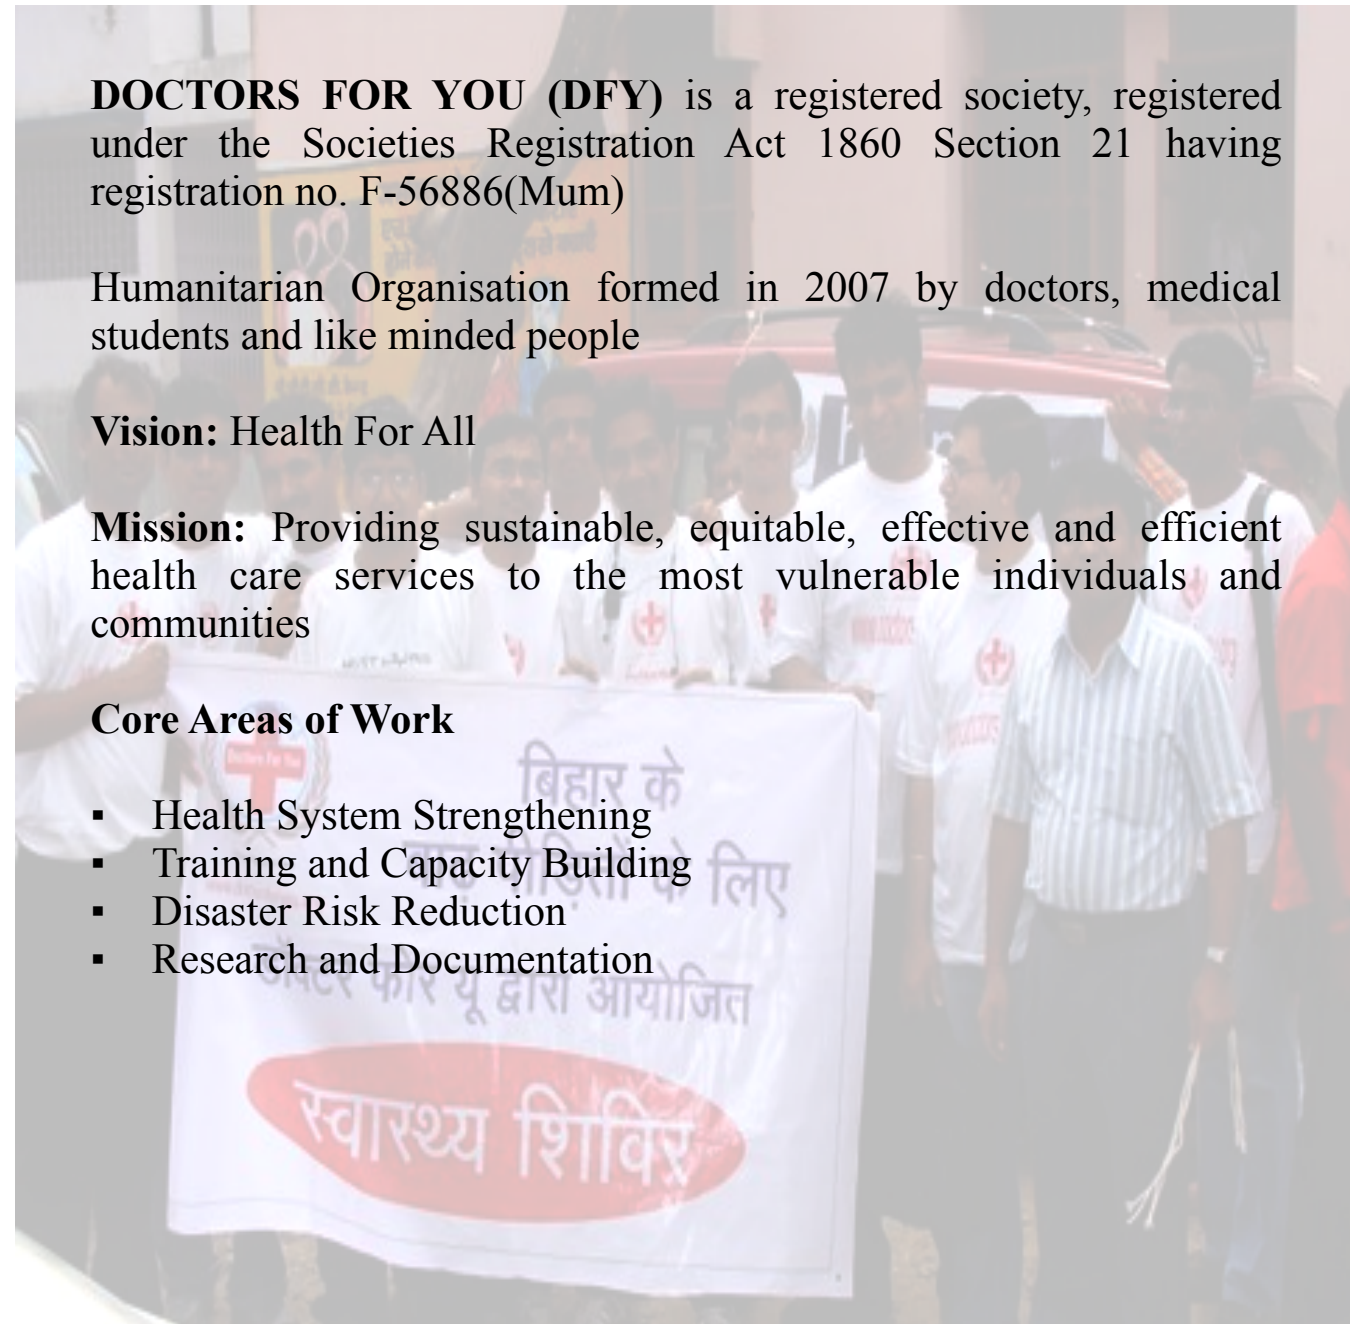

Humanitarian Organisation formed in 2007 by doctors, medical students and like minded people

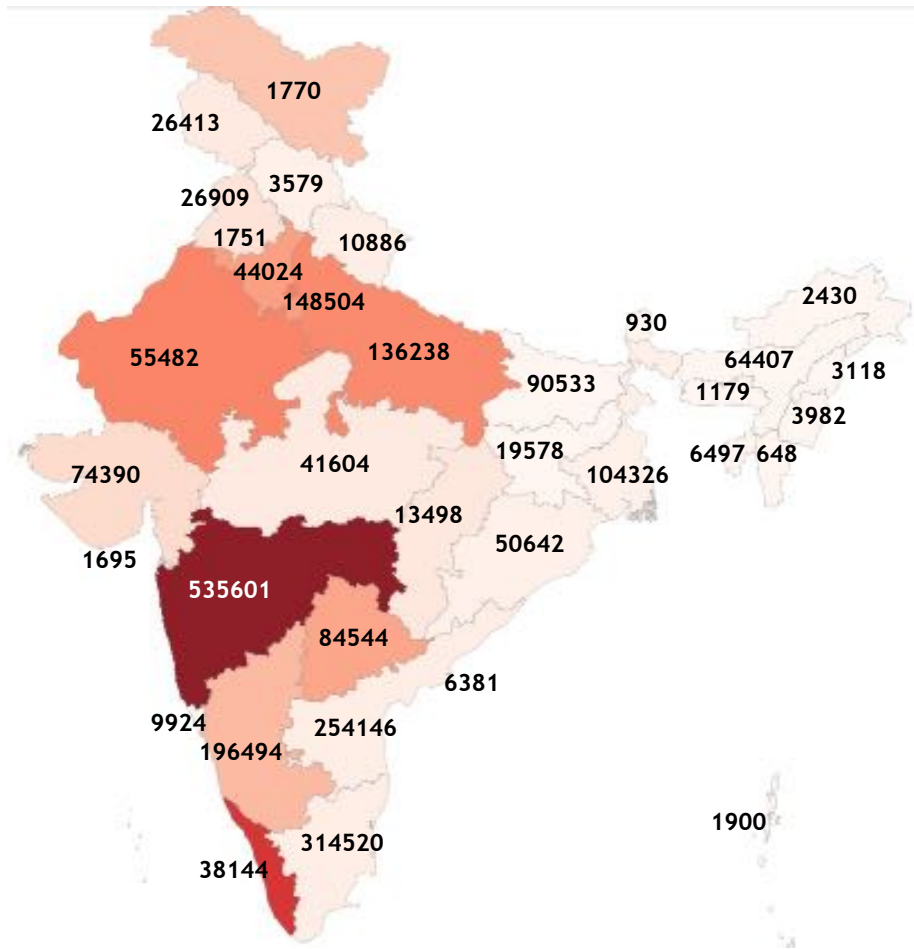

**Vision:** Health For All

**Mission:** Providing sustainable, equitable, effective and efficient health care services to the most vulnerable individuals and communities

### Core Areas of Work

- Health System Strengthening
- Training and Capacity Building
- Disaster Risk Reduction
- Research and Documentation

Covid-19 has emerged as global pandemic affecting almost the entire globe. This has tested public health preparedness to the optimum level even in developed countries who are still struggling to deal with the situation. In India as on 05 October 2020 there were 66,26,291 cases of Covid-19 reported. The Covid-19 has created fear and made us realize how bad this can turn out to be for the poorest, for those who will lose their livelihood, or those who wouldn't know what to do to save themselves when the virus has reached someone close to them. It has also put additional strain on the already challenged healthcare system.

Through VC inaugurated COVID care hospital in Masarhi village in Patna.  
 want to appreciate Dr. Ravi Kant for setting up a COVID care hospital in Masarhi village of Fathua in Patna.  
 By installing Solar panels at the hospital he has clubbed the twin objectives of sustainable energy with good healthcare facility.

My appreciation for DEMA & 'Doctors For You' (volunteer group of Doctors NBD) for establishing this centre in record time of 6 days.

LG Delhi  
 It's an excellent example of government civil society collaboration. I am confident it will strengthen Delhi's fight against Covid-19.

My best wishes!

CM Arvind Kejriwal and deputy CM Manish Sisodia at a Care Centre set up at Shehnai Banquet Hall near Lok Nayak hospital on Wednesday.
