DOCTORS FOR YOU

JULY, 2025

Himachal Flood Response:

Supported by: HCLF

As relentless rains swept through the hills of Himachal, panic surged ahead of the rising waters—engulfing homes, scattering lives, and shattering the stillness of the valleys.

In the flood-hit regions, where relief camps strained under the weight of need and hope was wearing thin, Doctors For You, with crucial support from HCL Foundation, took immediate action. Our teams were on the ground—organizing health camps, distributing essential hygiene kits, and extending much-needed aid to displaced families.

Wayanad Mental Health Program:

*Supported by: Tata Community
Initiatives Trust*

Doctors For You (DFY), in partnership with Tata Community Initiatives Trust, launched a two-phase mental health response in Wayanad following the 2024 flood & landslide to help the community recover. Phase 1 (September 2024–March 2025) supported over 11,400 individuals across four blocks through counselling and school-level interventions. Phase 2 (June 2025–May 2026) aims to reach 2,800 individuals with counselling, 8,400 family members, and 40,000 through awareness efforts. As of July 2025, DFY has deployed field teams, initiated counselling sessions, conducted awareness programs, and begun tracking high-risk cases with ASHA and Anganwadi support.

Assam Flood Response

Supported by: HCLF

"Disasters don't wait. Neither do we." In the heart of flood-ravaged Assam, where rising waters have displaced thousands, DFY teams are on the ground—bringing relief, hope, and health to the most vulnerable. DFY delivering emergency relief and health services in Nagaon, Cachar, and Tamulpur. Working alongside DDMA, local authorities, and NGOs, DFY is providing malaria prevention kits, essential relief materials, and hygiene awareness to displaced families. Strategic coordination in Cachar and active support from the Deputy Commissioner in Tamulpur are enhancing community outreach and disease prevention efforts.

UNICEF Deputy Representative Team Visit to Viman Nagar UPHC

Supported by: UNICEF GAVI

On 16th July 2025, UNICEF Deputy Representative Mr. Arjan De Waqt visited the Viman Nagar UPHC in Pune under the UNICEF-GAVI project, in collaboration with PMC and DFY. The visit highlighted grassroots efforts to reduce zero-dose cases. Key engagements included interactions with vaccine-hesitant families, Mahila Arogya Samithi members, and frontline workers. MAS members showcased a seasonal Health Calendar and shared community-led strategies to promote immunization. The visit concluded with a progress presentation and discussions on strengthening vaccination outreach and trust-building at the community level.

Factory Health Camps

Supported by: Landmark Group

DFY, with the help of Landmark Group, is conducting factory health camps at various locations, including Delhi NCR, Mumbai, and Ahmedabad.

These camps are exclusively for factory workers. We offer comprehensive health check-ups, including hemoglobin (Hb) tests, blood sugar tests, and eye examinations. Free medicines are provided to those who genuinely need them, and spectacles are distributed to individuals who require them but lack access.

The primary objective of these camps is to screen factory workers and staff who are often unaware of their health conditions and, due to work commitments, are unable to undergo regular health check-ups.

Partnership with IMI Delhi

Doctors For You (DFY) is proud to continue its meaningful collaboration with the International Management Institute (IMI) Delhi as part of the Sustainability and Social Impact (SSI) program. Launched in September 2024, the initiative is led by Dean Academics Prof. Sonu Goyal and supported by faculty members Dr. Priya Chaudhary, Dr. Yukti Bajaj, and Dr. Swapnil Sharma.

DFY continues to play an active mentoring role, guiding students in their community-based projects and inspiring them to become socially responsible leaders.

DFY Celebrates Paper Bag Day

On 12th July 2025, under the WIPRO WASH program, Doctors For You (DFY) celebrated Paper Bag Day at Santa Dnyaneshwar Vidyalaya, Bimwadi Gautam Nagar. The event aimed to promote eco-friendly alternatives to single-use plastics and featured activities like a paper bag making competition, essay writing contest, and interactive sustainability sessions. Over 50 students participated, showcasing creativity and environmental awareness. Teachers also actively supported the initiative. The event concluded with a prize distribution ceremony, encouraging continued eco-conscious behavior among students and staff.

DFY's Doctors Day Celebration - Pan India

Doctors For You (DFY) marked National Doctors' Day with heartfelt celebrations across its pan-India locations, recognizing the invaluable contribution of doctors in healing, serving, and inspiring communities. From hospitals to field offices, DFY teams came together to honour medical professionals working tirelessly in public health, emergency response, and community care. The celebrations included felicitation ceremonies, appreciation notes, and interactive sessions where teams shared stories of dedication, resilience, and compassion displayed by doctors in challenging settings.

Health Mela Bihar Drives Community-Centered Diagnostics & Treatment

Held on **July 11–12, 2025**, at Gyan Bhawan, Patna, the Health Mela Bihar was a joint initiative by the Bihar Government with participation from Doctors For You (DFY), focused on promoting preventive healthcare. The two-day event saw strong community engagement, offering critical diagnostics such as **210 FibroScan liver assessments, 70 cardiac ECHOs, and 5 mammography screenings** for high-risk individuals. The Mela showcased a successful public-private collaboration, emphasizing early detection and accessible healthcare for all.

Blood Donation Camp Organized by Indian Army in Pulwama

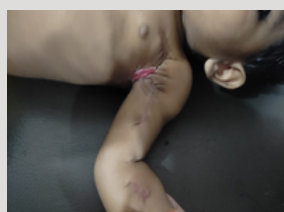

On 17th July 2025, the Doctors For You (DFY) team actively participated in a blood donation camp held in Pulwama, Jammu & Kashmir. The camp was organized by the Indian Army in collaboration with the local administration, aiming to promote voluntary blood donation and strengthen emergency healthcare preparedness in the region. DFY team members joined hands with soldiers, healthcare workers, and local residents to contribute to this life-saving initiative.

Case Study: Treatment of a 10 month Old Child with Necrosis

Before

After

A 10-month-old girl, from Janta Nagar, Mandala, was brought to the **DFY Mandala Health Center Clinic** with an underarm infection. Upon examination, signs of necrosis were detected, and she was urgently referred to Sion Hospital for surgical intervention. The necrotic tissue was successfully removed, and post-operative care, including regular wound dressing, has been provided at the DFY clinic over the past month. Timely medical attention and consistent follow-up have led to significant improvement in the child's condition.

Fighting Drug-Resistant TB: A Success Story from Pune

Doctors For You, under the **SSHAKTI TB Initiative**, successfully facilitated the timely referral and treatment of a 26-year-old Pre-XDR TB patient. Referred from Poona Hospital, she was admitted to SMT. Kashibai Navale Medical College DRTB Hub, where the advanced BPaLM regimen was initiated with support from STDC and PMC. Expert coordination, prompt logistics, and patient counseling ensured smooth treatment initiation, highlighting the impact of the hub-and-spoke model in managing complex TB cases.

Shoutout to Bihar Patient

Doctors For You (DFY) allowed for an absolutely astonishing recovery for a patient that lived in Bihar after having an operation around the neck area at **DFY Vistex Hospital, Bihar**. This is a great story and we are all very glad at the success and initiative facilitated by the organization. Patient was in an unimaginable situation, in fact, it was an ordeal in the emergency room - but it ended well thanks to a variety of factors

STAFF OF THE MONTH

We're proud to recognize Mr. Bhoori Singh, Nursing Staff, as our Staff of the Month (July) demonstrated a strong sense of responsibility towards his duties, ensuring that every task is completed on time and with utmost care. His compassionate and respectful behavior towards patients has been highly appreciated by both beneficiaries and fellow colleagues.
