100 LIVES RECLAIMED, 100 FAMILIES RESTORED

A CSR initiative by: Boieng India

We are so proud to announce a historic milestone: 100 successful Bone Marrow Transplant at PGICH Noida. With Unweaving support from Boieng, we are providing that health should be for all, regardless of the money in ones pocket. The doctors at PGICH Noida are working tirelessly to ensure this complex treatment is either completely free or at the most affordable cost for those who needs it the most.

MEDIMINDS INTERSHIP PROGRAMME

Doctors For You successfully conducted the **Mediminds Internship Programme**, engaging students from **Classes X, XI, and XII** in a week-long learning experience. Through orientation sessions and practical exposure to **Biotechnology, Microbiology, Psychology, Old Age Care, and Mother & Child Health**, students gained valuable insights into healthcare and community service. The programme aimed to inspire young minds and strengthen their understanding of public health and social impact.

SNAKEBITE PREVENTION & MANAGEMENT TRAINING

Supported by: HCLF

Doctors For You (DFY), with the support of HCLFoundation, conducted **two snakebite management awareness and training** sessions on **13 June 2026** at **Jorhat Model Composite School** and on **20 June 2026** at **New Tocklai Adarkha Madhyamik Vidyalay, Jorhat**. The sessions reached approximately **50 participants**, enhancing awareness on snakebite prevention, first aid, timely referral, and emergency response to reduce snakebite-related morbidity and mortality in the community.

STRENGTHENING ADVANCED HEALTHCARE AT AIIMS BHOPAL

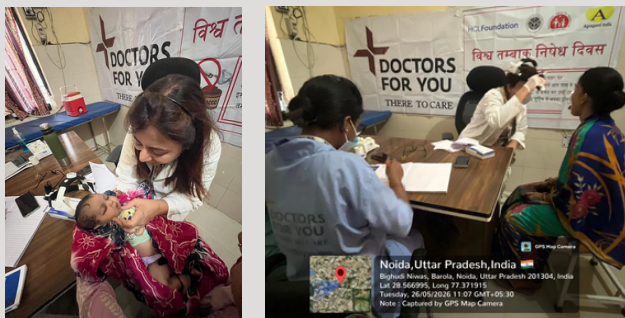

Supported by: HDFC Bank Parivartan

Doctors For You, in partnership with HDFC Bank under its CSR initiative Parivartan, has strengthened advanced healthcare services at **AIIMS Bhopal** by handing over state-of-the-art **medical equipment** to the **CTVS and Urology departments**. The new equipment will enhance complex surgical procedures, critical care services, and improve access to quality healthcare for thousands of patients across Madhya Pradesh and neighbouring states. This initiative reflects the shared commitment of Doctors For You and HDFC Bank to advancing public healthcare through sustainable partnerships.

ORAL CANCER SCREENING & TOBACCO CESSATION AWARENESS CAMPS

Supported by : HCLF

Doctors For You, with support from HCL Foundation, conducted Oral Cancer Screening & Tobacco Cessation Awareness Camps at Harola PHC, Barola PHC, and UPHC Sadarpur in collaboration with Agragami India & FPAI.

- 204 people screened
- 73 males | 131 females

Early detection of tobacco-related oral lesions and precancerous conditions enabled timely counselling, referrals, and follow-up care. Together, we're promoting healthier, tobacco-free communities.

WORLD BLOOD DONATION DAY

A CSR Initiative by : Pfizer

On the occasion of World Blood Donor Day (14 June 2026), Doctors For You (DFY) organized **blood donation awareness sessions** across its project locations to promote **voluntary blood donation** and highlight its life-saving impact. A total of **495 beneficiaries** participated in the campaign, including **234 males and 261 females at pan india aastha centres**. The sessions emphasized the importance of regular voluntary blood donation, dispelled common myths, and encouraged community members to become regular blood donors, contributing to a safer and more sustainable blood supply.

ENVIRONMENT DAY CELEBRATION

Supported by : Wipro Cares

On the occasion of World Environment Day, the DFY WIPRO MCH team conducted an awareness session at Gautam Nagar, engaging **25 community members** to promote environmental conservation and sustainable living. The session emphasized cleanliness, tree plantation, water conservation, waste management, and reducing plastic use. Participants actively engaged in discussions and pledged to adopt eco-friendly practices, reinforcing the collective commitment to building a cleaner, greener, and more sustainable community.

JAN SEHAT CLINICS- MEGA CAMP

Supported by : DBS

Doctors For You, with the support of DBS Bank's CSR initiative, organized a Mega Health Camp at Natwar Parikh Centre, Govandi, Mumbai, benefiting **185 community members with free comprehensive healthcare services**. The camp included specialist consultations, essential **health screenings**, **free medicines**, and the **distribution of dental hygiene and drawing kits for children**. Active participation from DBS Bank representatives and volunteers highlighted the shared commitment of DBS Bank and Doctors For You to improving access to quality healthcare and creating sustainable impact in underserved communities.

HEALTH CAMPS FOR MEDIA PRODUCTION WORKERS

Supported by: Sony Pictures Networks India

With support from the CSR initiative of Sony Pictures Networks India Private Limited, Doctors For You's Mobile Medical Unit conducted health camps at Yash Raj Studios and Dome Productions, reaching 167 media production workers with health screenings, medical consultations, NCD screening, health awareness, and referral services. The team was also encouraged by a visit from actor Sharad Kelkar, whose appreciation reinforced the shared commitment to improving the health and well-being of Mumbai's media production community.

NATIONAL CO-LEARNING WORKSHOP STRENGTHENS COMMUNITY-LED IMMUNIZATION EFFORTS

Doctors For You (DFY) participated in the **two-day National Co-Learning Workshop** on "Strengthening CSO-led Immunization Demand", organized by the Community of Practice for Demand (CoPD) in collaboration with UNICEF under the GAVI HSS-3 Project on 2-3 June 2026 in New Delhi. The workshop brought together CSOs from 11 states and development partners to share innovative strategies for improving routine immunization among underserved and zero-dose children. DFY Maharashtra showcased its community engagement and vaccine hesitancy interventions at the CSO Marketplace Exhibition, earning appreciation from participants.

INTERNATIONAL YOGA DAY PROGRAM

Supported by: BPCL

Doctors For You (DFY), in collaboration with BPCL, organized an International Yoga Day programme on 21 June 2026 for residents of Mahul Village and Gavanpada near the Mumbai Refinery. The event witnessed the enthusiastic participation of 140+ community members, who took part in a guided yoga session featuring pranayama, yoga asanas, and discussions on healthy living. The programme promoted physical fitness, mental well-being, and the adoption of yoga as a part of a healthy lifestyle.

NGO & STAKEHOLDER COORDINATION MEETING

Supported by: UNICEF-GAVI

Doctors For You (DFY), under the UNICEF-GAVI supported project "Boosting Demand for Immunisation and Reducing Zero-Dose Children," convened an NGO and Stakeholder Coordination Meeting on 3 June 2026 in Mumbai. The meeting brought together representatives from government, UNICEF, NGOs, and community organizations to strengthen collaboration for improving routine immunisation coverage in high-risk urban communities. Discussions focused on routine immunisation, measles outbreak response, HPV vaccination awareness, and addressing vaccine hesitancy through coordinated community engagement.

POSH Refresher & Internal Committee Training Programme

Representatives from Doctors For You (DFY) participated in the **POSH Refresher & Internal Committee (IC) Members Training Programme** supported from **Terre Des Hommes** held from **23–25 June 2026**. The programme focused on strengthening understanding of safe, respectful, and inclusive workplaces through a POSH refresher session for all participants, followed by specialized training for IC members. The sessions covered the roles and responsibilities of IC members, complaint handling, procedural requirements, case management, and practical aspects of implementing the POSH Act, enhancing participants' knowledge and capacity to effectively fulfill their responsibilities.

STAFF OF THE MONTH

We are proud to recognize **Shweta Tandel**, **Project coordinator** under the **Wipro WASH Project**, as the Staff of the Month for his **exceptional dedication, leadership, and commitment** towards strengthening initiatives. Her consistent efforts in project coordination, community engagement, and ensuring smooth implementation of activities have significantly contributed to the success of the programme.
