A CSR initiative by: Boieng India

Boeing India, in partnership with Doctors For You, inaugurated the **DFY Jan Sehat Clinic** in **Devanahalli, Karnataka**, on **April 25, 2026**, under **Boeing India's CSR initiative**. The clinic aims to provide affordable and accessible primary healthcare to underserved communities in the rapidly growing peri-urban region near **Kempegowda International Airport**. Operational since **September 2025**, the clinic offers **OPD services, diagnostics, pharmacy support, maternal and child healthcare, and awareness programs**. Supported by **14 healthcare professionals**, the facility is expected to serve **around 16,000 patients annually**. The inauguration also included **free screenings and a mega health camp benefiting 39 patients**.

GREEN MOBILITY IN HEALTHCARE: E-AMBULANCE INAUGURATED AT SAFDARJUNG HOSPITAL

Aligned with the vision of Narendra Modi to **promote green mobility and sustainable healthcare infrastructure**, Doctors For You contributed an **e-Ambulance** to **VMMC & Safdarjung Hospital** under its CSR initiative. The ambulance was inaugurated by **Dr. Kavita Sharma** in the presence of **Dr. Charu Bamba, Dr. Rajat Jain, members of the CSR Committee, and Transport Department staff**. The eco-friendly ambulance will support smooth and quick patient transportation within the hospital campus, improving accessibility, convenience, and sustainable healthcare services for patients.

HEATWAVE PREVENTION AWARENESS

Supported by: HCLF

Due to the **intense heatwave conditions** across **Delhi NCR and Noida**, awareness activities were conducted in vulnerable communities to promote heatwave prevention and safety measures. Community members were educated on the importance of staying hydrated, avoiding direct sun exposure during peak hours, recognizing signs of heat-related illnesses, and taking preventive precautions. As part of the initiative, **ORS packets** were distributed among community members to help prevent dehydration and heat exhaustion.

EQUIPMENT SUPPORT - J&K

Supported by: HDFC Bank Parivartan

Under the **HDFC Bank CSR initiative**, essential medical equipment was successfully handed over at **JLNM Hospital, Srinagar, and District Hospital, Ganderbal**, in the presence of **Hon'ble Chief Minister of Jammu & Kashmir, Omar Abdullah, and Hon'ble Health Minister, Sakeena Masood Itoo**. The support included advanced diagnostic and treatment equipment such as **Endoscopy, Urology and Ultrasound Machines, a Leica Tissue Processor, Fibroscan Machine, and DEXA Machine**. This initiative strengthens healthcare infrastructure and enhances access to quality diagnostic services for communities across Jammu & Kashmir.

SWACHH BHARAT ABHIYAN

A CSR Initiative by : SBI Sanjeevani

Under the Doctors For You – SBI Sanjeevani Clinic on Wheels project, two RO water coolers were donated and inaugurated on **April 28, 2026**, under the **Swachh Bharat Abhiyan** initiative in **Mumbai**. The installations were carried out at **Maharashtra Nagar Maternity Home, Mankhurd, and Sardar Nagar-1 BMC School, Sion Koliwada**, to improve access to safe drinking water in underserved communities. The initiative benefited approximately **120 daily patients** at the maternity home and **over 300 school students**. By promoting hygiene, sanitation, and preventive healthcare, the project strengthened community health infrastructure and reflected the commitment of Doctors For You and SBI Sanjeevani towards public welfare and well-being.

EMPLOYEE ENGAGEMENT INITIATIVE

Supported by : Wipro Cares

As part of the **Employee Engagement Initiative**, **Wipro Cares**, in collaboration with Doctors For You, organized a **Menstrual Hygiene Kit Assembly Activity** on **26th May 2026** at the **Wipro Limited Campus, Airoli**. More than **40 employee volunteers** enthusiastically participated in assembling menstrual hygiene kits for women and adolescent girls from underserved communities. Each kit included essential hygiene products, iron-rich snacks, menstrual hygiene awareness IEC material, and personalized greeting cards prepared by volunteers. The assembled kits will be distributed in communities to support menstrual hygiene management and promote awareness on health, dignity, and self-care.

A CSR Initiative by : Pfizer

On **World Hand Hygiene Day**, **Doctors For You (DFY)**, through the **DFY-Pfizer Pan-India Aastha Helpdesk initiative**, conducted awareness activities across participating hospitals, **reaching 409 beneficiaries**. Sessions on proper handwashing techniques, infection prevention, and patient safety were held, promoting healthy hygiene practices among patients, caregivers, and hospital visitors.

JAN SEHAT CLINICS- ACCOMPLISHMENT

Supported by : DBS

Doctors for You proudly celebrates the **milestone of 70,000+ patients** served through the **DFY Jan Sehat Clinic in Delhi**, along with **Mobile Medical Unit (MMU)** services and continuous community health awareness activities across **Delhi and Mumbai**. This achievement reflects our commitment to providing accessible, affordable, and quality healthcare services to underserved communities. The occasion was marked with a special ribbon-cutting ceremony attended by **Dr. Rajat Jain, the Doctors for You team, and representatives from DBS Bank CSR**. This milestone is a testament to the collective efforts of healthcare professionals, field teams, community members, and the invaluable support of DBS Bank CSR in making healthcare accessible for all

HEALTHCARE ON WHEELS: FOR MEDIA PRODUCTION WORKERS

Supported by: Sony Pictures Networks India

On 30th May 2025, a Free Health Check-up and Awareness Camp was conducted at Ramzanali Shaikh English High School, Malvani, Malad West, to promote preventive healthcare and encourage early diagnosis and healthy lifestyle practices. The camp offered general health consultations, blood pressure and random blood sugar screening, vital checks, free medicine distribution, and specialized consultations by female doctors and a pediatrician. More than **250 community members** benefited from the initiative, enhancing access to essential healthcare services and health awareness.

WORLD HYPERTENSION DAY

On the occasion of World Hypertension Day, the DFY Ishwar Devi Khattar Team conducted an awareness session at Natwar Parekh Centre, Shivaji Nagar, under the J.R. Khattar Project on 17th May 2026. The activity included an informative PPT presentation and an exercise session to educate community members about hypertension, its causes, symptoms, prevention, and the importance of a healthy lifestyle. Participants were encouraged to adopt regular physical activity, balanced nutrition, stress management, and routine health check-ups to prevent high blood pressure and related complications. The session witnessed active participation from **21 beneficiaries**, promoting greater awareness about cardiovascular health and preventive care.

SUNDAY CLINIC - MDJMIRC

Doctors For You has initiated the Sunday Clinic at Meena Devi Jindal Medical Institute and Research Centre to enhance access to healthcare services for patients requiring medical support during weekends. The initiative aims to provide convenient and continuous healthcare consultation, especially for **working individuals and underserved communities** who may face challenges accessing services on regular weekdays. The clinic will offer essential **outpatient consultations, basic health check-ups**, and guidance by qualified healthcare professionals.

COMMUNITY OUTREACH INITIATIVE

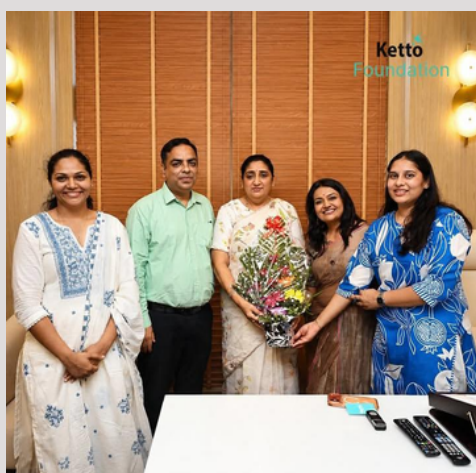

A series of **SHG/CBO training sessions on Routine Immunization** were successfully conducted across **M Ward, G North, P North, K East, and H East**, reaching a total of **261 participants**. The sessions focused on increasing **awareness about routine immunization, vaccine-preventable diseases, and the importance of timely vaccination** for children and pregnant women. Interactive activities, group discussions, **pre- and post-tests, and vaccination awareness videos** helped improve participants' understanding of the national immunization schedule and address common myths and misconceptions. Volunteers Sana and Alfiya actively contributed to the sessions. The trainings concluded with enthusiastic participation and strengthened community awareness on child health and immunization.

EVENTS AT DFY

WORLD HAND HYGIENE DAY - PAN INDIA

On the occasion of **World TB Day**, **Ketto Foundation** launched a **Nutrition Assistance Program** to support **tuberculosis (TB) patients** and strengthen treatment adherence and recovery, with **Doctors For You** serving as the implementing partner.
