DOCTORS FOR YOU

August, 2025

DFY Turns 18

Pan-India Celebration

On **4th August 2025**, DFY celebrated its **18th Foundation Day** with lots of smiles, colorful decorations, and cake-cutting ceremonies across **all our offices in India**.

It was a moment of joy and pride as teams came together to celebrate DFY's journey and the milestones we have achieved together. The day reminded us that our people are the heart of DFY, and with teamwork and passion, we continue to grow stronger every year.

Restoring Health Access in Flood-Hit Himachal: DFY's Makeshift Health Centers

Supported by: HCLF

In response to the July 2025 flash floods in Himachal Pradesh, which destroyed several health facilities and cut off access to care, Doctors For You (DFY) with the support of HCL Foundation established **three makeshift health centers** in **Mandi district**—**HWC Lambshapher, Anah Sub-Centre, and HSC Surah**—serving nearly 12,000 people across remote flood-hit communities. These centers will restore essential healthcare, including maternal-child services, routine immunization, and disease management, while also serving as models for climate-resilient, disaster-adaptive healthcare delivery in vulnerable mountain regions

New Community Health Initiative in Sangam Vihar *Supported by: DBS*

Doctors For You (DFY) has launched a new community health initiative in Sangam Vihar, Delhi, to strengthen access to basic healthcare and promote preventive health practices. As part of the launch activities, General Health Camp was organized in Blocks G, S, and L, where 448 beneficiaries received free medicines and underwent blood pressure and blood sugar screenings. Alongside the camp, the DFY team conducted a general awareness drive, engaging 198 local residents on topics such as preventive healthcare, lifestyle management, and the importance of early detection.

Medical Outreach in Visakhapatnam *Supported by: Ketto and Keller*

Doctors For You (DFY), with the generous support of Ketto and Keller, has launched a new medical outreach initiative in Visakhapatnam aimed at strengthening community health and bridging gaps in access to care. The first medical camp under this project witnessed enthusiastic participation from the local community, offering a wide range of services such as general health checkups, specialist consultations, and preventive care. Our dedicated healthcare team ensured that each beneficiary received quality medical attention and personalized guidance.

This initiative represents DFY's commitment to long-term community health improvement in underserved areas. Moving forward, the project will continue to provide regular camps, awareness drives, and primary care services to improve healthcare outcomes in the region.

Health Centre Project Almora, Uttarakhand *Supported by: Team Computers*

Doctors For You (DFY), in collaboration with Team Computers under their CSR initiative, has launched a new Health Centre Project in Almora to strengthen primary healthcare for rural populations. Supported by Mr. Ranjan Chopra and contributors Ravi Dutt Sharma, Shivam Singh, and Anand Singh Bist, the project will serve 20+ villages with services including medical consultations, dental and lab screenings, malnutrition checks, awareness sessions, and teleconsultation support.

Dental Camp and Community Initiatives *Supported by: SBI Foundation*

In August 2025, Doctors For You successfully organised a dental camp in Mumbai, with the generous support of SBI Foundation, under the SBI Sanjivani Project. The camp saw active participation from the local community and provided a wide range of essential healthcare services, including expert dental consultation and preventive care. Our dedicated team of healthcare professionals ensured that each participant received empathetic attention and quality guidance.

Along with the camp, several impactful community initiatives were undertaken under Swachh Bharat Abhiyan, including handwash awareness drives, eco-friendly Ganpati making competition, and other health-promoting activities.

DFY Celebrates Independence Day

Doctors For You (DFY) proudly celebrated the **79th Independence Day** across its **pan-India offices** with great enthusiasm and unity. The day was marked by flag hoisting ceremonies, cultural activities, and team gatherings, reflecting the spirit of freedom and collective responsibility.

Best Practices Seminar' at Vigyan Bhawan by NITI Aayog

Doctors For You (DFY) participated in **NITI Aayog** recently hosted a **National Seminar on Best Practices under the Aspirational Districts and Blocks Programme (ADP/ABP)** at **Vigyan Bhawan, New Delhi**. The seminar featured six concurrent thematic sessions, each chaired by a NITI Aayog Member and co-chaired by a senior Government of India Secretary.

Doctors For You (DFY) got a wonderful opportunity to portray its work in Aspirational District and Aspirational Blocks.ies.

World Breastfeeding Week 2025 A CSR initiative by: WIPRO Cares, Pfizer & HCLF

During World Breastfeeding Week 2025, DFY reached **556 beneficiaries across 23 centers** with the support of our partners. Under **WIPRO Cares**, seven sessions benefited **83 mothers** through interactive counselling. The **1000 Days MCH** Project organized seven sessions for **189 community members and frontline workers**, focusing on nutrition and feeding practices. With Pfizer's support, awareness programs across **16 centers** engaged **284 participants**, reinforcing the importance of exclusive breastfeeding and family support. Together, these efforts strengthened maternal and child health across communities.

World Organ Donation Day 2025 A CSR initiative by: Pfizer

On the occasion of **World Organ Donation Day**, awareness programs were conducted in selected centers at Pan India level. The discussions emphasized the importance of organ donation, the process of pledging, ethical considerations, and the life-saving impact of donations. The sessions helped dispel myths and encouraged both men and women to come forward in support of this noble cause, thus contributing to a culture of organ donation in the community.

Participated in Rare Diseases Conference 2025

Doctors For You (DFY) participated in the Rare Diseases Conference 2025 held on **20th August at FICCI, New Delhi**, under the **Ministry of Health & Family Welfare**. Themed **“Making Rare Care Possible”**, the event brought together policymakers, healthcare professionals, and industry leaders to discuss challenges and solutions in rare disease management. Supported by partners including **AstraZeneca, Novartis, Pfizer, Roche, Sanofi, and Takeda**, the conference provided a platform for dialogue, knowledge exchange, and collaboration to improve care and access for patients with rare diseases.

From Pain to Possibility – Bilkees’ Journey of Recovery

Bilkees, a 24-year-old from Drabgam, Pulwama, suffered from cervical pain for two years, limiting her daily life. With a personalized rehabilitation plan at the CH Pulwama Physiotherapy Unit—including TENS, SWD, US therapy, and targeted exercises—she regained mobility and now lives pain-free, managing her responsibilities independently.

Partner Spotlight – Wipro Foundation

As part of the CSR project ‘Maternal and Child Health Services’ in Mumbai’s M/East Ward, supported by Wipro Foundation, implemented by DFY, a short video was developed showcasing the crucial role of community counselors in guiding women through pregnancy and postnatal care, while highlighting the impact of collective efforts in strengthening maternal and child health.
